

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

There was one reason and one reason only that I chose Iglou.com as my ISP: service, service, service. They're small enough, yet big enough to handle all my Internet needs. Now that I have awaited patiently for them to have broadband added to their services, I come to find out that that is threatened by monopolistic enterprises. I implore you to allow such providers to offer this much-needed service.

Sincerely,

Larry Smith
